Barron s Educational Series, United States, 2014. Novelty book. Book Condition: New. 183 x 152 mm. Language: English . Brand New Book. This ingenious little book doubles as a fun bath tub game. Each 2-page spread features an adorable animal face with two eye holes for children to peek through. When toddlers hold the book up to their face, the illustrations act like miniature masks. Suddenly baby is gone, and instead a little cow, horse, sheep, or frog is in their place! A fun activity for children and parents to play together, and a cute way for babies to learn to identify different animals and the sounds they make.
