

The Lynn Review: A Monthly Epitome of Lynn Affairs (Classic Reprint)

Filesize: 5.91 MB

Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

(Lorenz Vandervort)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *The Lynn Review: A Monthly Epitome of Lynn Affairs* Never did a new school year open with so little public notice, the main question in some cases having been whether teachers would be able to get back from Europe. But though educational matters have been to some extent subordinated to great events, it is likely that the war will have a considerable influence upon education in this country, says the Springfield Republican. It ought to give some stimulus to the study of geography, history and languages, subjects by no means neglected in this country, yet not pressed with such energy or success as elsewhere, largely for lack of incentive. If Americans spend years in studying French or German without really learning it, it is because they do not have to; it is a school subject like Latin or Greek, and the pupil is more concerned with passing examinations than with mastering the language for actual use. History and geography, too, are studied with some apathy, as dealing with old unhappy far-off things, and battles long ago. But now the greatest battles in history are not long ago, but taking place, and interest in this terrific European explosion may stretch to the length of a desire to learn how it happened. The war itself may be left to the newspapers, but in the newly aroused interest about the peoples of Europe, their governments, their culture and their feuds, schoolmasters may be able to break some virgin soil. And in the colleges a strong professor of modern history is likely this year to have things all his own way. Why keep the lights blazing the length of...
