Forgotten Books, United States, 2015. Paperback. Book Condition: New. abridged edition. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from History of the Valley of the Mississippi A very lucid and useful hand-book. Its popular language, and exclusion of difficult terminology are decided recommendations. Its success is good evidence of the value of the work. - N. Y. Times. This appears to be a very successful publication. It has now reached its third edition, which is a revised and enlarged one; and we learn from the title page that eight thousand copies have been published. Various additions have been made to the Hom opathic directions, and the anatomical part of the work has been illustrated with engravings. The work has received the approbation of several of our most eminent practitioners. - Evening Post. A nicely printed volume, and it appears to be a finished one of its kind. It embraces all possible directions for the treatment of diseases, with elaborate descriptions of symptoms, and an abridged Materia Medica. - Boston Post. It is very comprehensive and very explicit. - N. Y. Evangelist. Wow what of all this? Why, just this, we have used Dr. Pulte s book for our Directory; we have tested it as a safe counselor; - and we say to our friends who have wished we would get...
