

## Problems of Humanity (3rd Revised edition)

Filesize: 2.37 MB

### ***Reviews***

*This ebook is very gripping and fascinating. Sure, it is engage in, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*(Ms. Ora Buckridge)*

## PROBLEMS OF HUMANITY (3RD REVISED EDITION)

Lucis Press Ltd. Paperback. Book Condition: new. BRAND NEW, Problems of Humanity (3rd Revised edition), Alice A. Bailey, \*The books of Alice A. Bailey, written in cooperation with a Tibetan teacher between 1919-1949, constitute a continuation of the Ageless Wisdom--a body of esoteric teaching handed down from ancient times in a form which is always suitable to each period. Intended to precede and condition the coming era, the Alice A. Bailey writings offer an unparalleled spiritual approach to such subjects as the teaching on Shamballa and the Path of spiritual evolution; the spiritual Hierarchy; the new discipleship and training in meditation as a form of service; the teaching on the seven rays and the new psychology of the soul; the teaching on esoteric astrology; and the new world religion, which emphasizes the common thread of truth linking all the major world faiths. \*The text of this book was first published in pamphlet form immediately after the war. It was intended to show the acute problems existing in seven main areas of human life following the devastating experience of global warfare. It is realised that the problems themselves had existed in a more or less inconspicuous form and with increasing effect on human society for numbers of year. The war served to precipitate incipient causes of disruption in human relationships and to reveal unacknowledged depths of evil and ignorance. The present paperback edition of "Problems of Humanity", published in 1964, is revised and edited to eliminate all out-of-date facts and information. Six basic problems continue, however, to confront humanity with opportunity for progress: the psychological rehabilitation of the nations; the problem of the children of the world; the problem of capital, labour and employment; the problem of the racial minorities; the problem of the churches; the problem of international unity and...
