

The Advanced Numeracy Test Workbook

By Mike Bryon

Kogan Page Ltd, United Kingdom, 2004. Paperback. Book Condition: New. Workbook. 214 x 168 mm. Language: English . Brand New Book. This text provides preparation for graduates and managers who face numerical psychometric tests. Packed with plenty of expert tips, and with the emphasis firmly on acquiring the necessary key skills, it provides a high level of support. A companion title to How to Pass Advanced Numeracy Tests , it contains even more practice material and realistic timed mock tests. These are relevant to the selection tests of many top organizations. The workbook format is conducive to learning, and detailed explanations of the answers and interpretations of scores mean that candidates can see which areas they need to improve on, and understand where they are going wrong. With correct training and practice candidates can improve on their expected scores and this workbook helps to provide that opportunity.
