Fun Learning Adventures Books, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Who or what is God, and what does that mean about who or what you are? How do you communicate with God, and does it make a difference if you do? The Five Come Alive! answers those questions in a way that is meaningful to children and adults alike. The five are basic Spiritual Truths, or principles, found in centuries-old religious teachings around the world. They are Truths about the way a connection with Something Greater - God, our Creator, our Source - can bring us love, peace, joy and prosperity. If God is the soda pop, we are the fizz! Memorable words and playful images speak to children in a language they understand; allowing them to feel a connection to the Truths, and instilling in them a belief that God is all Good and they are a part of that Good. Authored by the Director of a Unity Youth Family Ministry and science educator, The Five Come Alive! is a cherished tool used by parents and teachers to introduce children to not only spiritual concepts, but also a personal, inner spirituality by which they can live their lives. Enjoy making The Five Come Alive! in kids of ALL ages!.
