Reviews

Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.

(Prof. Damon Kautzer III)

THE DULCE PROTOCOL

Createspace, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the Grandfather of all conspiracy theories in regards to Ufology, ET, and everything Alien. The famed Roswell Crash of 1947 is just the tip of the iceberg. The Prophesies of Revelation, Daniel, and Ezekiel are playing out before our eyes today, before the eyes of THIS generation TODAY! In view of the current environmental, social, political, and economical atmosphere that permeates every culture of this world, you must be able to see the BIGGER picture; the entire spectrum, if you will, not just one color. And that spectrum goes far beyond what anyone could have ever perceived possible. It goes beyond science fiction. Hollywood couldn't even have conceived the reality of Hell ON, BENEATH, or ABOVE Earth. But rest assured, they will damned sure try to convince you otherwise. With that said, don't even try to imagine what is between the covers of this manuscript. You have to read it for yourself. There will be many who will discard any and all notion that any of this could remotely be true. Are the words between these covers true? I don't know. I pray to God that they're NOT. But I will tell you this much, I have definitely gone through an Attitude Adjustment, and I have seriously begun to question my concepts of reality. We are living in very dangerous and very treacherous times. So read on and see if any of this makes as much sense to you as it does to me. Open your hearts, open your minds, and question EVERYTHING! - Bob Teske - April, 2012 32 Chapters Foreword Dedication Introduction Disclaimer Chapter 1 The Octopus, Black Projects and...
