Brand New Book ***** Print on Demand *****.The purpose of this manual is to provide tactics, techniques, and procedures (TTP) for corps artilleries (corps artys), division artilleries (div artys), and field artillery (FA) brigades. It is intended as a general how to guide to assist in force standardization with sufficient flexibility to adapt to local conditions as reflected in unit tactical standing operating procedures (TSOP). A firm grasp of FA and fire support (FS) doctrine and TTP, tempered by experience and military skills, should be the basis for decisive and effective action. This manual addresses TTP and the supporting infrastructure relevant to corps arty, div arty, and FA brigade operations in support of deep, close, and rear combat across the spectrum of full-dimensional operations. Included are: The integration, synchronization, and execution of FA missions in consonance with the force commander s concept of operations and scheme of FS. The manual also provides an overview of linkages to fire support elements (FSEs) and deep operations coordination cells (DOCCs). Internal FA command and control (C2) and sustainment operations. Support of joint/allied/multinational FS efforts and connectivity to higher...
