InnerCircle Publishing. Hardcover. Book Condition: New. Hardcover. 192 pages. Dimensions: 8.7in. x 5.6in. x 0.8in. Dedicated to the seen, the unknown and the beyond. We have come to a moment in time where we all need to make a choice. We can either maintain on our perilous course with the destruction of our world and the ultimate extinction of the human species, or we can choose the alternative. So now you have to choose. Are you going to uphold the status quo and participate in the eventual annihilation of the human race? If the answer is yes then close the book now and go on about your day as if this never happened. The alternative choice we are faced with is not some system or revolution which will guide us in a different direction. It is a path; it is a journey to explore who we truly are. A journey to understand our inner and outer worlds within ourselves which will guide us to our next step in our eventual evolutionary process. But if you can persist along this rough path it will eventually manifest into the beautiful path which you envisioned. The path we are on together will give you a better understanding of why our world is the way it is at the moment, where we are...
