Halloween night at the Inferno club always draws a crowd. When Tristan spots a stunningly gorgeous man dressed as a demon across the dance floor he sets out to draw his attention, little realizing he has already gained the notice of another. The demon disappears into the throng of revelers, but with the heavenly handsome Machidiel in his arms, Tristan doesn't mind. Even though Mac warns him they can never have more than a one-night stand, Tristan longs to see the man who gave him the best sexual experience of his life again. One year later, Tristan opens his door to find Alastor, the demon from the Inferno, who claims they have a date tonight. Alastor may be the one man who can make Tristan forget Mac. Little does he realize Mac isn't as far from his reach as he believes. When Mac reappears he has a proposition for Tristan and Alastor, one that means breaking rules and potentially getting him stripped of his wings. A menage formed between an angel, a demon, and a human means the sex is hotter than hell itself, but only time will tell if the relationship they have forged together is made in Heaven or Hell.
