BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 42 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. The U. S. Government Accountability Office (GAO) is an independent agency that works for Congress. The GAO watches over Congress, and investigates how the federal government spends taxpayers dollars. The Comptroller General of the United States is the leader of the GAO, and is appointed to a 15-year term by the U. S. President. The GAO wants to support Congress, while at the same time doing right by the citizens of the United States. They audit, investigate, perform analyses, issue legal decisions and report anything that the government is doing. This is one of their reports. GAO made five recommendations to strengthen Army and DFAS monitoring and reporting controls over Army active duty military payroll accuracy. DOD partially concurred with all five recommendations, stating that it concurs fully with the goal of improving military pay but additional testing is needed to identify any cost-effective corrective actions. GAO continues to believe that its recommendations for corrective action are appropriate, as discussed more fully in the report. This item ships from La Vergne, TN. Paperback.
